"HOW TO DONUTS"

written & illustrated by
AYME SOTUYO

Hey guys!

Sadie's going to teach us how to make donuts at home!

Hi!

Oh, how kind of you Sadie!

It's not that hard either.

My DONUTS

ingredients

Dough:
- 2 envelopes of dry yeast
- ¼ cup warm water
- 1½ cup milk (room temperature)
- ½ cup white sugar
- 2 eggs
- ⅓ cup shortening
- 5 cups all purpose flour
- + Oil for frying

Glaze
- ⅓ cup butter
- 2 cups powdered sugar
- 1½ tsp vanill
- 2 tsp hot water

First we mix the yeast with warm water.

To make sure it's alive?

Yup!

Then we mix the dough starting with the dry ingredients-

But not too fast!

When it's all mixed...

Knead it on a counter full of flour.

Cover it up for an hour so the yeast can do their thing.

After it's twice as big-

It's Ready!

Not yet!

We have to roll the dough flat, about half an inch.

Cups and bottles can be used to make the shape.

WHAM

Then we let them sit for a hour again.

While we wait-

How's the glaze Pearl?

Wonderful!

I melted the butter over medium and stirred in the powdered sugar and vanilla.

Plus I added some hot water to thin it out evenly.

It smells so good!

Now we can start frying them!

When they float, flip them over until they're golden brown.

Let them drain the oil on some paper towels too.

LET'S EAT!

Wait, we have to glaze them first!

Plus sprinkles!

And with a little food coloring the glaze can be different colors!

Thanks so much for your help, Sadie!

Glad to help!

How do you guys like the donuts-

!!

THE END

BIG DONUT

But Sadie!

Lars, I just need to mail these invoices! Can you **please** just watch the store?

But Sadieee, I'm wearing my cool pants today!

I need to go hang out outside so the cool kids will see how cool I look!

You can go do your weird pants thing when I get back!

AhhhNNNNH!!

It'll take me an hour, tops!
